

Food and Wine

White with fish and red with meat is the old adage and this runs true, however our rule is drink what you like. And with our range of wines you may find something new to like.

A refreshing Drink

Our selection of wines will compliment your choice of dish, whether it be a platter to share amongst friends or a delicious meal .

For fish, pork and chicken try Sauvignon Blanc or Chardonnay.

A light and refreshing Chenin Blanc to accompany the salads.

for the serious Carnivore

Like pepper with your steak? Try the Shiraz or Shiraz Cabernet.

Rioja will go with the beef and ale pie, and will also help turn the Sunday roast into a banquet.

With the lamb shank try a soft and approachable Merlot.

for the Party Animal

Did you know Champagne goes well with every and any meal?
